"Imagination is more..."

<http://creativityisforever.com/resources/imagination.pdf>

Pianist **Keith Jarrett's** new solo album will be released on October 18th. One of the most innovative musicians around, Jarrett is best known for his solo improvisational concerts, nearly twenty of them available on CD.

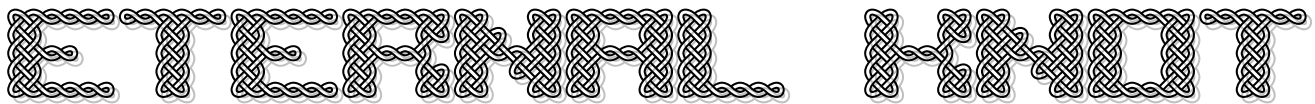

If you're unfamiliar with his work, check out these samples...

from Vienna concert (15:00) <http://creativityisforever.com/resources/vienna.mp3>

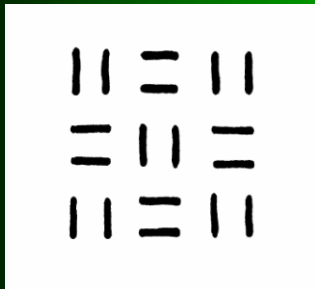

from Paris concert (5:09) <http://creativityisforever.com/resources/paris.mp3>

from La Scala, pt I (4:00) <http://creativityisforever.com/resources/lascalal1.mp3>

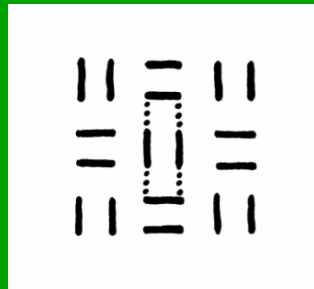

from La Scala, pt II (8:45) <http://creativityisforever.com/resources/lascalal2.mp3>

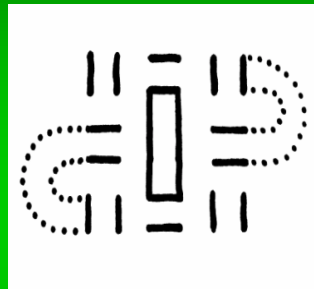

Starting with the square in Step 1, it's easy to draw your own infinity knot. Follow the step-by-step instructions maintaining the under/over pattern as you go.
