

# Word Ladders

Start with a 5-letter word. Earn points by changing one letter to create a NEW word. You may not change the same position twice in a row and once you have substituted a letter it is no longer available. Give yourself 1 point if you changed the first letter, 2 points if you changed the second letter, 3 for the third, 4 for the fourth, and 5 points if you changed the last letter. How many points can you score?
